

MESSY TEXT / PDF.js

Mixed fonts, sizes, spacing, columns, rotation and punctuation.

John 3:16

For God so loved the world...

Hover for a native title. Click the reference for the verse.

code: x = 42; [brackets] {braces}

A slanted line -- with italic words

Psalm 23:1

The LORD is my shepherd;
I shall not want.

Genesis 1:1

In the beginning God created
the heaven and the earth.

BIG

tiny text beside a giant word

W I D E S P A C I N G 0123456789

Split reference: **John3:16**

Punctuation: (hello), "world"; [test] / slash!

Rotated reference: John 3:16

Hover and click references to read your installed Bible. Click other text to send it to the app.

WRAPPED / FRAGMENTED TEXT

One reference split across two lines; ordinary text calls back to the app.

John

3:16

Compare Gen. 1:1 with 1 Cor. 13:4-7.

Click this chunk to send its text and page number to the app.

A book and numbers in distant columns should not become a reference:

John

3:16
